

Beth Am Women

20th Annual Passover Dessert Seder

"Honoring Our Foremothers and Ourselves"

Thursday, April 1, 6 p.m., Social Hall

Led by Rabbi Janet Marder and Rabbi Sarah Wolf

\$10 per person if check and RSVP are received by Thursday, March 25

\$15 after March 25 and at the door (as space allows)

Our liberation holiday has enhanced the lives of Beth Am's Women by focusing on our history—the history of the women who were nameless or unknown. In our own Haggadah, we have fleshed out the stories of these women and how they continue to speak to us. Rabbis Janet Marder and Sarah Wolf will lead the service, as we relive the stories of our foremothers and share the experience with mothers, daughters, sisters and girlfriends. Participants will also recall the matriarchs who influenced their own lives.

Last year we began a quilt to record our attendees, a tradition that will continue this year as our legacy. Each woman will also have the opportunity to symbolically burn the "chametz," the obstructions to her own liberation.

For this potluck Seder, participants are asked to bring serving utensils and items based on their birthday months:

- January - April..... Fresh fruit for 12
- May - July One bottle Passover wine **AND** one bottle apple or grape juice
- August - December Passover dessert for 12 (on a serving plate)
