Beth Am Women

exists to bring women of all ages together, to unite them with the Beth Am community and, through Beth Am, to the greater Jewish community. We do this by:

- Reaching out to and welcoming members of the community;
- Presenting stimulating, engaging programs that bring us together to learn about ourselves, about each other, and about Torah;
- Practicing existing traditions and creating new ones;
- Serving Beth Am by supporting congregational activities;
- Initiating and participating in tzedakah projects on all levels;
- Serving Klal Yisrael, with Women of Reform Judaism, to support the ideals and enhance the quality of Jewish living to ensure the future of progressive Judaism in North America, Israel, and around the world.
