Personal Statement to give to your peers at Elections:

I want to be a member of the BATY board because

BATY Leadership Roles!

All Board Members have 1 vote on all issues at board meetings.

BATY President

The Paradox of Presidency: The president delegates all responsibility, and thus doing nothing. At the same time, a president is aware of all that is happening and makes sure it gets done and is done well, thus doing everything. The key to being president is maintaining a balance between the two! **A President MUST be...** aware of all TYG (Temple Youth Group) affairs to properly relay information & ultimately responsible for every project, responsible for insuring that work is done properly by other board members, event chairs, etc., a representative of the entire TYG, liaison to the Youth Director & Youth Committee, leads & organizes all BATY board meetings (1.5 hours per month), attends all youth committee meetings (1 hour per month)
